Hello

I will be teaching two, full-day workshops early in 2025 and as a student in a previous GIS TReC workshop you get first dibs on registration.

The first workshop is **Becoming Productive with ArcGIS Pro** on Tuesday January 7th (registration fee is \$200 per person).

The second workshop is **Working with Lidar in ArcGIS Pro** on Wednesday January 8th (registration is FREE).

Both of these workshops are full-day (9am to 4pm MT) and available in-person or online using Zoom.

For full details or to register please visit <https://giscenter.isu.edu/Workshops/index.htm>

Of course, if you have any questions just let me know.

Sincerely,

Keith T. Weber, GISP

ISU GIS Director | Director of the GIS Training and Research Center (GIS TReC)

Office for Research

Guest Editor, *Remote Sensing*

NASA DEVELOP Science Adviser

NSF XSEDE Campus Champion

Graveley Hall | Room B20
