**Idaho Lidar news**

We completed a two-day series of Lidar workshops on November 3<sup>rd</sup> and 4<sup>th</sup>, 2021 with 46 students completing these courses (23 students in each). In addition, some new Lidar data has been added to our server for north Idaho. Check out the IDL 2019 project by visiting <https://giscenter.isu.edu/stylar/?appid=163bf5887aa04f308a15fe8e44963bf8>
